July 2011—Volume 6, Issue 7

Dear *Helpline Today!* Partners and Friends,

Theresa and I want you to know how deeply grateful we are for your faithful partnership to *Helpline Today!* Our desire is to continue to reach out to millions of lost and hurting people with the gospel.

### THIRTY FIVE YEARS OF HELPLINE!

This is a special issue of your *Helpline Today!* Newsletter. Over thirty-five years ago, God gave me the incredible vision for *Helpline*. In the 1970s, *Helpline* was born. After a thirteen-week season of broadcasting *Helpline* from NBC's Studios, God called me back to the mission field to focus my evangelistic efforts on building Him an army of Nationals who would take the gospel of Christ to their nations—but the incredible response of hundreds of thousands of souls coming to Christ as a result of viewing *Helpline* never left my heart.

In mid-2006, *Helpline* was reborn. Go with me to the inside pages of this newsletter, where we will revisit some *Helpline* memories of the past.

### IT'S A NEW DAY FOR HELPLINE!

Today, *Helpline* is reaching yet another milestone. I want to share my vision for *Helpline* (now called *Helpline Today!*) with you in this newsletter.

### WHEN YOU SUPPORT HELPLINE TODAY!, YOU BEAR FRUIT THAT REMAINS!

Inside this historic newsletter, you will be inspired when you read some of the testimonies from the past. One of them is from over thirty-five years ago. You will also see some of the earliest testimonies that we received when *Helpline* was reborn in 2006.

*Helpline* (now *Helpline Today!*) was here for these people in their time of need and will continue to be here for you and millions of others worldwide. Whether you need healing; deliverance; restoration in your marriage, family, or other relationships; a job; a financial breakthrough; or God's favor to win a court case—whatever your need might be today, *Helpline Today!* will share God's love with you, His answers to your prayers, and hope for your future.

My beloved friend, as you continue to support *Helpline Today!*, you are the hands and heart of Jesus reaching the lost, healing the sick, and setting the captives free through the incredible daily outreach of *Helpline Today!*

Your friend,  
God's servant,

Morris Cerullo

# OVER ONE MILLION PRAYER REQUESTS, FROM 150 NATIONS, HAVE BEEN RECEIVED AT *HELPLINE* TODAY!

Beloved partners and friends, Theresa and I are very grateful that you are a part of our growing, worldwide, *Helpline Today!* family. More than thirty-five years ago, our precious Lord ignited the awesome vision for *Helpline* in my heart. It was to be a prayer-reality program that would share God's love and miracle-working power with multitudes of hurting people.

Those first programs were very special. We had incredible guests, like my dear friends, chart-topping singer Pat Boone and comedienne-actress Lulu Roman (from the long-running comedy TV show, *Hee Haw*). Though household names in the world of show business, both of these famous personalities are devoted servants of God and were very excited about appearing on *Helpline* to tell the world that there is help in Jesus!

## Thirty-Five Years Ago, A Healing Results From Watching *Helpline* on TV!

After watching *Helpline* on TV more than thirty-five years ago, we attended a Morris Cerullo crusade in Washington, D.C., where I was healed of a huge bone spur on my heel, and it was also the progressive start of a total healing from Rheumatoid Arthritis. I was told that I'd be in a wheelchair by the time I was forty, but I'm now sixty-six, with no wheelchair and as healthy as can be.

– B. J., New York

Though *Helpline* brought great victory to many through our pilot series of thirteen programs, God called us to set it aside for a time and sent me forth (more intensely than ever) into the nations of the world to build Him an army of National leaders and believers. They would take the anointing that God had placed on my life to their own nations and prove that Jesus is Who He said He. They would do the same miraculous works that He did!

God always finishes what He starts! *Helpline* was reborn in 2006. We started broadcasting at CBS Studios in Hollywood. We shared the same set that was used by the popular game show, *The Price Is Right!* After two seasons, we decided to move *Helpline* to our San Diego World Prayer Center Headquarters. The power of God increased. Captives were set free during the *Helpline* broadcasts, as people heard the testimonies of both celebrities and ordinary people who had experienced God's miraculous intervention in their lives. Viewers were able to enter worship with well-known musicians. They could call to receive prayer from one of my trained and anointed "I-Care" prayer warriors.

## HELPLINE IS REBORN! SOME OF HELPLINE'S EARLIER TESTIMONIES FROM 2006. YOUR GIVING BEARS FRUIT THAT REMAINS!

The prayers from your ministry have been a blessing! The devil had been attacking my marriage and finances. Yesterday, my wife came to church, sat down, and told said me that God had convicted her heart. She apologized for trying to control me and said that she needed to change. Also as a result of the ministry and books that MCWE sent me three years ago, I am now out of prison and serving as a deacon in my church.

– Gregorio, Illinois

My son had a heart attack and was rushed to the hospital on a Wednesday. I called *Helpline* for prayer, and he had a quick, marvelous recovery. He was out of the hospital by the following Saturday. He is still doing fine and has already gone deer hunting.

– Rose, Louisiana

### **HELPLINE REACHES A NEW MILESTONE AND EMERGES AS VICTORY TODAY!**

Today is a new day in the world and on *Helpline*. The Lord has shown me the vital importance of preparing the millions who have responded to *Helpline* to stand strategically against the devil in spiritual warfare, to be ready for the soon return of Jesus, to do the works of God, and share the gospel with those they meet.

So, the vision of *Helpline* will continue but with a new mandate and maturity. Our new mandate from God is to bring to maturity and position Christian believers in their God-ordained places to fulfill all of their God-given potential in these end times. God said, "Morris, I want you to share with this new generation of *Helpline* viewers the prophetic revelation and anointing that I've placed on your life for over six decades of your worldwide, miracle-working ministry."

My *Helpline Today!* partners and friends have received this kind of in-depth, intense teaching for over sixty-six years, and now it's time for my *Helpline* viewers to have the same opportunity to learn how to walk in 100 percent victory, 100 percent of the time. You will be inspired and equipped by the new *Helpline Today!* broadcasts, but there's more!

You will still hear your favorite musicians, hear great testimonies of God's answers to prayer, see well-known and respected guests giving God praise. You will still be able to call with your prayer requests and receive personal, powerful prayer from my anointed and trained "I-Care" prayer warriors.

Now you can have the best of both *Helpline Today!* and *Victory Today!*. Tune in every weekday (Monday through Friday). Don't miss a single program. Your spiritual growth, blessings of answered prayer, and overcoming victory in every circumstance are waiting for you on the NEW *Victory Today!*

My doctor, who had been testing my sugar levels, told me that my sugar level was so high that he would have to treat it with medication. So, I called *Helpline* for prayer for diabetes. I knew that I was instantly healed. Praise God! When my doctor re-tested me, my sugar levels were normal! I am so glad that I do not have to take medication. Thank you, Jesus!

– Hazel, Maryland

I had osteoporosis, a broken spine and pelvic area, and two collapsed vertebrae. I had to use a walker to get around. Now, after praying with your *Helpline* prayer warrior, I am off the walker, and I walk two miles every day!

– Barbara, Georgia

My husband Tony's right leg was scheduled for amputation, as it was 85 percent dead. I called *Helpline* for prayer, and God healed his leg! Shortly afterward, the left leg went bad, and God healed that one, too. After my call to *Helpline*, Tony was also delivered from a cigarette addiction after sixty-seven years of smoking.

– Karen, California

I requested prayer for my great grandbaby, who was overdue to be born due to the medical problems that he was experiencing. After the *Helpline* prayer, the baby was born without difficulty, and both mom and baby are doing fine.
