FOR IMMEDIATE RELEASE

Multiplied millions of people in America and around the world are asking, “What’s next? Is my job safe? Will I be able to feed my family tomorrow, next week, next year?” as political and economic uncertainty continues to unravel the solid foundations of society and thrust individuals and families into intensified fear and desperation. THERE IS AN ANSWER!

Dr. William S. (Bill) Winston was formerly a decorated U.S. Airforce fighter pilot and successful corporate business executive at IBM. His inspiring journey has taken him from the cockpit of a fighter jet to establishing a 20,000-member church in Forest Park, Illinois, where he now trains marketplace and ministry leaders to dominate in their sphere of influence. . .to eradicate poverty, transform communities, and bring strong leadership and economic stability to the nations.

Every person, no matter what their background or current struggles they face, needs to read Dr. Winston’s groundbreaking book, *Faith & the Marketplace*. Why?

- God has planned for you a unique purpose and assignment in this earth that only you can fulfill.
- God is calling you to do what’s impossible and you need knowledge of His kingdom to accomplish it.
- You were designed to win every battle, but there is a divine partnership you need to have.
- “We cannot solve our problems with the same level of thinking that created them.” – Albert Einstein

In *Faith & the Marketplace*, Dr. Winston reveals the strategic steps that will empower Joe, Suzy or Jayla to activate their divinely-created purpose in life and make a maximum impact in this world. People everywhere, who are reading this enlightening, life-changing book are experiencing incredible breakthroughs in their health, job, business, ministry, finances, relationships and family.

Faith & the Marketplace is a 320-page, virtual playbook that will catapult millions out of a life of hopelessness and defeat, and propel them into a satisfying life of success. Available on Amazon, Google Books, Barnes & Noble, iTunes, iBooks, and more.
